

## Tentative Schedule

### Concept Note: -

This one-day **Orientation Program on "Understanding Basics of Disaster Risk Management"** is designed for students of Shree V G Chaudhary College of Nursing, Palanpur, Gujarat specifically those in **BSc Nursing** and **GNM**. The program aims to equip a total of **students** with fundamental knowledge and practical skills in disaster risk management and fire safety, which are crucial for their future careers in the healthcare field. The training will cover both theoretical concepts and a practical demonstration of fire safety. It will also explore career opportunities within the field of disaster risk management (DRM). The program will be held on **16th February 2026**, and will be conducted by experts from the **Gujarat Institute of Disaster Management (GIDM)** and a fire expert from Gandhinagar.
